PENSION APPLICATION

4 Participant's Signature - Retirement Declaration

If I continued to work past normal retirement age, I understand that my benefits were suspended, and I will not be eligible to receive retroactive benefits from the Plan.

I hereby certify that as of the effective date of my pension that I have completely withdrawn from any covered employment under a Collective Bargaining Agreement with the United Industrial, Service, Transportation, Professional and Government Workers of North America and at the present time, I have no intention to return to such employment in the future.

Notwithstanding the paragraph above, I am aware that if I return to covered employment for a period of more than 40 hours during any calendar month that my pension will be suspended, and I will not be paid pension benefits during the period that I was employed. In the event that I wish to return to covered employment in the future, I must first request approval in writing from the Board of Trustees of the United Industrial Workers Pension Plan.

Furthermore, I understand that the Board of Trustees has the authority to enforce the withdrawal provisions contained in this Declaration. I agree as a condition of receiving continued benefits, I will cooperate with any Plan investigation and provide copies of relevant earnings documentation or records if requested to do so.

If I am receiving a Disability pension benefit, I have been determined to be totally and permanently disabled in order to be eligible for the disability benefit. In the event that my condition improves, and I no longer meet the criteria of being totally and permanently disabled that my benefits from the Plan may terminate. I may be required to submit to a physical examination in the future if requested by the Trustees.

The withdrawal provisions herein do not apply to those pensioners receiving mandatory pension benefits, who were required under the Plan Rules to commence their benefits effective April 1st following the year that they reached age 70 ½.

I certify that the information that I have provided on this application is true and correct and I recognize that the United Industrial Workers Pension Plan will rely on the information for benefit eligibility purposes. I understand if I knowingly provided false or misleading information, I may be guilty of a criminal offense.
